It’s just what it means. Imagine yourself, Students, just entering last fall. We are about to take you through the year as we saw it. First we saw the school; then we met the faculty. We viewed the fall sports and activities with happy hearts, and sad we were to see the seniors leave in January. But school moved on through the spring with the mid-year play, the track team, and base-
ball and now, at press time, we’re anxiously awaiting the June commencement.

Yes, it’s different! Perhaps there are more changes in this year’s Shuttle than in any one for the last five years, but it’s our impression of Shaw. We hope you get the same feeling from reading it that we did from writing it. Remember, when you view this book in later years that this was glorious Shaw—Shaw in 1940 and 1941.
A year ago, Dr. Korb, this page of the Shuttle contained a warm welcome to you. You were new in East Cleveland, and we wished you a pleasant stay here.

This year we doff our hats to you. Few men could come in and so capably handle the big job that you tackled. East Cleveland schools are widely known for their high educational standards. With such leadership as you offer, they will remain that way always.

And again we say, we hope your stay here is pleasant; that you come to love East Cleveland as we do; and that Shaw will be your greatest love.
Board of Education

Mr. Ben B. Wickham assumed his tasks as a board member in November, 1929. His present term will expire December 31, 1943.

Mrs. Mariem S. Morgan was appointed to the board January 1, 1934, and was elected vice president in January, 1941. Her term expires December 31, 1941.

Mr. George N. Nelson who was elected president in January, 1941, has served since 1934, and will continue under his present term until December 13, 1941.

Mr. Paul H. McClelland is the newest member of the board. He was elected in November, 1939. His term will expire December 31, 1943.

Mr. C. W. Kimmel retired president of the board, has served since January 1, 1932. His term expires December 31, 1943.
When school adjourns this June, it will mark the twelfth year that Mr. M. C. Dietrich has faithfully served Shaw.

Few students go through school without coming in contact with him. Under his guidance and leadership our Alma Mater has kept her high rating among the high schools of this country.

Mr. Dietrich, a firm believer in democracy, has accomplished much in his fair and democratic treatment of problems that have arisen before him.

Our principal thinks that a well-rounded education is the only proper education; and therefore he has greatly encouraged outside activities and broadened the school program.

Coaches Rees and Loftus brooding over the Heights game.
CULMINATING his six-year stay at Shaw, Coach Trevor Rees produced a Black and Red team that forged ahead to share the Lake Erie League Championship with Lakewood, winning 7 and losing 2 games. Shaw took East, Latin, and East Tech in smart order, compiling 50 points against a total of 12 for the opposition. A grim Shaker eleven held the Cardinals to a close 8-7 decision, but the following week saw Collinwood drop Shaw 18-7. Stung by that defeat, Coach Rees' charges pushed Lakewood into the mud 12-6, and then crushed Elyria 33-6 in a fog thick enough to slice.

The vaunted, high-scoring Steelmen from Lorain fell next 7-0. Fired by the spirit of rivalry between the two schools, Heights romped through a disorganized Shaw defense 19-7, administering the Black and Red its only Lake Erie defeat.

Very instrumental in winning and thereby obtaining gold footballs and letters were Bill Keenan, Bob Pojak, and Jim Duff, backfield men; Bob Krause, center; Jack Shaw and Chuck Sua, ends; Jerry Gould and Jim Reid, guards; and Jack Olsen and Howie Rosen, tackles.

Olsen and Keenan went to Florida during Christmas vacation with an All-Star Cuyahoga County team to play the Florida All-Stars. Outclassed, the Southerners took a 40-6 drubbing.

FOOTBALL SQUAD

BAND, attention! This was a very familiar command to all members of the band from September to June. Although the band's greatest publicity comes during football season, members are practicing for one event or another all year long. This year the entrants in the Greater Cleveland Solo and Ensemble contest were richly rewarded for their long hours of practice. There were more first and second divisions than ever before.

In addition to its regular concerts during the year the band was invited to play at the Maple Sugar festival in Chardon, Ohio. This summer a band session is planned. It will play at the East Cleveland Community picnic and have regular practice sessions so that members may keep in condition.

BAND MEMBERS
CROSS COUNTRY
MANAGER
Bob Stout
COACH
Mr. E. C. Offinger

IN the 1940 season Shaw’s cross-country team participated in only four meets, splitting even by winning two and losing two. Upholding a "tradition" started a decade ago, this year’s team again defeated Collinwood. This was also the most decisive victory of the season, for Shaw runners took first, second, and third positions. The team’s two outstanding runners this season were Fred Jones and George Kall. Kall finished among the top three in every race. Jones finished first in the two races in which he competed, and also established a track record of 10 minutes 3 seconds in the West High meet.

In cross-country the team with the lowest score is declared the winner.

CROSS-COUNTRY

It's a Racket with Them

WITH hard forehands and backhands, the crack doubles team of Marion Dietrich and Carl Morganstern smashed their way to victory in the Northeastern Ohio tournament in May, 1940.

Losing the services of these vital parts of the team through graduation, Coach E. C. Offinger’s boys managed to capture only one of the five Lake Erie League matches this fall. Elyria was their victim to the tune of a 5-0 defeat. The team went down to Cleveland Heights 5-0; Lakewood 4-1; Shaker 3-2; and Lorain 5-0.

Although the scores of these matches are high, many games were won by the opponents only after a hard and fierce struggle. The school is looking forward to a great team next year as Ray Denslow, first singles man, will be back to lead the Red and Black to victory on the newly completed Forest Hill Courts.

TENNIS SQUAD

Huskies

ABOUT seventy athletes each year belong to the Varsity “S” Club, which is composed of lettermen from every sport. The club, organized in 1939, was formed to draw together the various athletic squads. This year the club planned to give a trophy to the most outstanding, all-around athlete in the senior class. Each successive year the trophy will be awarded to the Varsity “S” member who makes the best record in sports.

During several of the meetings, various movies of Shaw and Ohio State football games were shown by Trevor Rees. Other activities of the Club consisted of several after-school dances and annual Varsity “S” banquet.

VARSITY “S”
COME fall, winter, or spring, there is always a sport to add enjoyment and healthy exercise in the lives of Shaw girls. The majority of girls participate in at least one sport during the year, while many feminine athletes enter as many as they possibly can.

Because of the great number of persons involved in athletics, it is necessary to have a small group of girls, the Athletic Council, to organize and head the various sports. The Council elects two officers, president and secretary-treasurer. This year these officers are, respectively, Betty Corbeau and Kay Hamilton. Each girl in the Athletic Council has a specific sport which she manages, either alone or with another member of the Council. For baseball there is Alice Buzzelli; for basketball, Kay Hamilton and Adele Thayer; volleyball, Patty Squier and Virginia Kavanaugh; swimming, Janet Barrett and Evelyn Wallace; riding, Mary Ellen O'Brien; winter sports, Polly Comegys and Betty Corbeau; modern dancing, Betty Lou Hamilton; and life saving, Roberta Byrum.

ATHLETIC COUNCIL

PRESIDENT
Betty Corbeau

SECRETARY
Kay Hamilton
Girls' Varsity

Perhaps the hardest earned and most desired award given to the girls at Shaw High School is the girls’ "S" letter. This letter, although considerably smaller than the boys' award, means very much to the girls who receive it. To receive one of these awards, a girl must participate in all sports. This means many hours after school. A few of the sports are hiking, swimming, volleyball, basketball, baseball, and winter sports. For each sport a certain number of points are awarded. After she has 350 points, the girl receives a small "S" letter; after 700 points, a large one.

"S" Letter Girls

Quintet Quickies

Basketball is one of the favorite sports of Shaw girls. At the beginning of the season a rally was held at which the girls signed up for their teams and elected captains. After the rally, the head of the sport, Kay Hamilton, and her assistant, Adele Thayer, programmed the teams for a tournament. At the end of the season, all girls who had passed their written test and had attended regularly, received 75 points towards their "S" letter. Fifty more points could be received for refereeing and officiating. At the close of the season, the traditional Army-Navy game was held, and Navy won, 18-16, putting them one game ahead of Army in the 11 games that have been played since 1931.

Basketball Captains

They Volley by Golly

Starting out last fall with a volleyball rally, the girls' sports year began. At this rally the girls signed up on teams and elected their captains. After the teams were organized, the head of the sport, Virginia Kavanaugh and her assistant, Patty Squier, arranged a tournament. Each team was permitted to play a certain number of games. At the end of the season each girl received 75 points towards her "S" letter, providing she had passed the volleyball test and had attended the games regularly. The annual Yale-Harvard game, which has always been played at the end of the annual volleyball season, was omitted from the schedule this year.

Volleyball Captains
A SPLASH party for the Heights girls was only one of the many activities of the Tarpon Club this past year. The forty girls in this organization met every other week to swim and play water games. Since there were regular officers of the club, the girls had complete charge of meetings. Miss Alice Juringus, adviser, let the girls make most of the club plans.

This year there were about forty active members who received points toward “S” letters for regular attendance at meetings. To become a member, ten lengths of the pool and one good dive, which need not be off the board, are required. This organization was also responsible for sponsoring the girls’ inter-class swimming meet, which the junior girls won.

TARPON
Left to right: E. Sua, J. Barrett, R. Byrum, E. Wallace, E. Landgrebe, B. Corbeau.

Swimming Leaders

MADE up entirely of swimming leaders, the Aqua-Dux is an organization with about thirty members. The girls meet each Friday sixth period; many of them give up their lunch period to do so. Any member of this club is perfectly capable of taking complete charge of a swimming class.

During their meetings they learn methods of teaching beginning, intermediate, and advanced swimming and diving. Each leader has charge of a group in a swimming class for which she is responsible.

Because there was only one physical education teacher for girls this year, these leaders conducted the swimming classes.

AQUA-DUX

Life Savers

THIS past school year about thirty girls made the grade to get either pins or emblems for Junior or Senior Life-Saving. To try for a Senior Life-Saving emblem, a girl must be seventeen years old; to get a Junior emblem, a girl must be thirteen years old. Under the direction of Miss Alice Juringus, these girls learn to rescue drowning persons, to apply artificial respiration, and to administer first aid. Every girl who meets the requirements receives an emblem at the end of the instruction period. She may also buy a pin, but this is optional and may be procured at any time.

Keenan showing what goes up must come down.
HAVE you ever traveled around the world, visited romantic South America, the mysterious East, the famous countries of Europe? Most of you haven’t, and some know little about any of these places. Yet members of the History Club know much about the past of these lands, which they have visited with lantern slides.

The main project of the History Club this year was to prepare a program for an assembly. Each member worked hard on this project, which was a play.

Besides showing lantern slides, members participated in club programs by giving reports on topics to which they were assigned. The only qualification necessary for membership is to have had or to be taking some type of history.

SECRETARY Joan Van Kirk
TREASURER Mary Ellen Davies
ADVISER Miss Alice M. Zuck

With an unprecedented increase in the interest in Spanish this year came the revival of the Shaw Spanish Club. Miss Alice M. Zuck, the only Spanish teacher on the faculty, divided the group into three parts. The two beginning classes were treated as separate junior clubs, holding their meetings during class time. For the second year students there was a senior club, meeting after school.

In the fall a special program and tea was given to interest new members in the club. Shaw witnessed a novel type of entertainment when the Spanish Club presented a floor show and fortune-telling as added attractions at its after-school dance during the winter.

Because of its large membership, the club was able to give a substantial Christmas basket to a needy family. A set of flags of the pan-American nations was also purchased, both for school and club use.

SPANISH CLUB

MEMBERS of the Boys’ Glee club are not only singers, but they are football players too. This was proved by defeating the male part of the band 24-6.

This year, the boys were especially interested in popular music. Most of their arrangements were patterned after some of the more prominent band choruses such as Fred Waring.

During the first semester, the entire group sang at a football rally. Other than that, they did no singing outside of their meetings.

The organization was comparatively large, even though a boys’ glee club is hard to build up. Much more interest was shown in this activity after several publicity campaigns.

Miss Crank chaperones.

Warm and anxious; anxious; cold and worried.
"I've got to get this story written; I've got to speak to this club's adviser."

"Gee! There are a million things I have to do and the deadline is tonight!" These remarks were heard quite often around the buildings at Shaw during the past school year. The people in these predicaments were members of the Observer Editorial Staff, whose problem was putting out a newspaper every two weeks that would hold interest for everyone in the school.

They stayed after school night after night reading, writing, rereading, and rewriting all the stories that came in. Each had either a section of the school to cover, a club, or was responsible for advertising. After the assignment of a story, each writer was told what page his copy was to be on. All of the stories for that page had to be in on a certain night.

This year for the first time classes in journalism were formed to better the style of each writer and to help him notice possible news about the building. At the convention held in Cleveland by the National Scholastic Press Association last fall the journalists had the opportunity of trading ideas and learning more about editing a paper from students all over the United States.

ALTHOUGH the basketball team did not compile a record as impressive as that of last year, it displayed lots of pep and typical Shaw spirit throughout the season.

High point man of the year was Chuck Sua, senior and captain of the varsity quintet, with 148 points. Bob Pojak and Bill Knapp, playing their first season on the varsity, turned in many stellar performances. Outstanding rookie of the year was Jack Shaw, who, after setting a hot pace at Kirk, came here last fall and proved very valuable to the team.

After closing the season with nine wins against six defeats, Coach Roy A. Wisecup entered his charges in the annual district tournament at Euclid Shore high school.

Although they did not come out victorious, their game with Lakewood, lost by one point, will be remembered forever in the annals of Shaw basketball history.

LED by Don Twining, Pat Clark, and Don Green, the Mermen inaugurated the season with a victory against East Tech 30-36. The next two meets also ended 30-36, but Shaw was on the short end.

Twining tied the school record for the 40-yard freestyle at 19.6 seconds twice this season, and in doing this in one meet he beat the new state champion. Don also bettered Walpole's scoring record of 1932 by setting a new one of 113 points for a season's total. Walpole's old record was 112. Pat Clark, 220-yard freestyler, piled up twelve consecutive victories before being beaten.

The tankers placed third in the Lake Erie League meet after leading it up to the last two relays which usually are the cause of most defeats. However, at both the district and state meet, the medley relay placed third. The five representatives from Shaw managed to place sixth in the state meet and beat the Lake Erie League champions, Lakewood, who didn't take a point.

ADVISER
Mr. Jerry Boggs

PARTICIPATION in the nation's defense program added significance to this year's activities of the Rifle Club.
Composed of over twenty members, the club practiced weekly at its range under the girls' gym at Kirk Junior High. Most of the members owned their own rifles, but two Springfield army rifles, on loan from the United States government, were available for use by those who had none. Bi-monthly competition in the Director of Civilian Marksmen tournaments gained the organization a high ranking in Class C. Jack Conroy, Wallace Holl, Don Knaebel, James Moore, and Ted Partlow outclassed their fellow members in this competition, consistently averaging between 95 and 100.
In addition to matches with other schools, the members succeeded in overcoming their fathers in a father-son match.

Rifle Club

To Sing's the Thing

I o sing because the members love to sing is the reason for the existence of the Girls' Glee Club. Mr. Jacob Hines, who directs the group, must be given a lion's share of the credit for the excellent vocalization of the club.
In addition to singing, the club also had a sophomore tea and several pot-luck suppers. Walberg Brown, of radio station W. T. A. M., and Mrs. Hines were honored guests at one of the dinners in December. During the second semester the group waged an effective campaign for increased membership. Undoubtedly the outstanding performance staged by the club was at the Christmas assembly.

Girls' Glee Club

Lotophagi

PRESIDENT
Charles Driggs
SECRETARY
Ellen Skoog
ADVISER
Miss Madge Lindsay

CREATIVE writing is the primary purpose of the Lotophagi Club. Founded in 1924, it has succeeded in many literary undertakings. One who wishes to join the club must present a manuscript, which will be viewed by members of the club. Then they decide, on the basis of creative ability, whether or not the prospect is to be admitted.
Meetings were conducted semi-monthly this year, and original manuscripts were read at each session. A dance raised money so that various teas and club social events could be given.
A record in the form of notebooks was made by the members to keep an account of all the manuscripts. Pins, new to the members, were issued for the first time this year.

Lotophagi Club

Left to right: B. Brownlee, T. Barro, D. Webster, C. Driggs, E. Skoog, M. E. Davies.
One of the highest scholastic honors a student can receive is to be accepted as a member of the National Honor Society. Candidates for this organization are chosen from the 12A, 12B, and 11A classes. They must be in the upper fourth of their class and pass with highest honors on these four qualifications: leadership, character, scholarship, and service.

Several weeks before the service which is held semi-annually in May and January, each member of the faculty receives ballots on which are the names of the candidates. The teacher then grades each student on the basis of the four qualifications. Every teacher the student has had at Shaw, whether in class or in extra-curricular activities, receives one of these slips.

The names of these new members are known only to the faculty advisers until the actual service is given. At this time, the secretary of the society opens a sealed envelope and reads the list of names. Later in the program the president, who must always be a 12A, hands the torch of knowledge to the incoming 11A member with the highest scholastic average.

One of the highlights of this year's program was the election of Dr. O. J. Korb, Superintendent of Schools, to honorary membership.

UNDER the leadership of a new director, Jacob Hines, the Shaw High A Cappella Choir went through a season with more public performances than ever before.

This year, in addition to singing at various assemblies, both commencements, and presenting a Christmas program, the choir sang at several churches, St. Luke’s Hospital, Andrews School for Girls, East Cleveland Public Library; joined Lakewood and Heights in a program at Public Hall for the National Christian Mission; and sang in the Lake Erie League Music Festival at Elyria in March.

A project started over a year ago and continued this year was the collecting of over $100 worth of tax stamps towards a new piano. Twenty new robes were also bought, increasing the total number to ninety.

All year around the orchestra practices so that it may do its part to make the activities at Shaw more pleasant to attend. Under Milton Niergarth’s direction this year’s group played at the Armistice Day assembly, and for the first time combined with the choir for the annual Christmas assembly.

Besides these performances during school time, the orchestra played at the graduation of both the June and January classes and for the Mid-year in the spring. This year it entered the orchestra contest for comment only. Mr. Niergarth thought that this season’s group of orchestra members was one of the best he has led at Shaw.

**Black and Red**

Black and Red, lone ahead  
In the battles they have led,  
When our Shaw boys come rolling along.  
Back them up with a shout  
That ten thousand throats give out,  
When the Shaw boys come rolling along.  

Chorus—  
Then it's heigh, heigh, hee, on to victory;  
Shout out their praises loud and strong.  

RAH! RAH!  
They will fight, fight, fight,  
With courage and with might,  
See our Shaw boys come rolling along.  

KEEP THEM ROLLING!  
See our Shaw boys come rolling along
Pretty Faces; Warm Hearts

NK Nit one, purl two.” This year the major effort of the Senior Friendship Club was knitting wristlets, mittens, and helmets for the British War Relief. Shirley Spreitzer was in charge of this project, assisted by the members of the service committee.

The purpose of the club is just what the name implies, to create a more friendly and social spirit among the girls.

The biggest event sponsored by this organization and Hi-Y this year was the Senior Friendship-Hi-Y banquet held on February 27. The main speaker at this event was Rev. Robert Earl Slaughter, minister of the East Cleveland Baptist Church. After the supper the boys and girls did the Virginia Reel and the Old Fashioned Square Dance.

Regular meetings were held every two weeks, at which speakers such as Mr. William Walton and Mr. Martin Loftus talked to the girls.

SENIOR FRIENDSHIP CABINET

Captains

In an organization as large as Senior Friendship Club, it is necessary to have a link between the cabinet and the girls. This link is the group known as the homeroom captain. From each homeroom a girl from Senior Friendship Club is chosen to serve as a homeroom captain. It is the duty of this representative to keep the girls in the homeroom informed of the activities of the cabinet, take charge of membership drives, and collect money for certain projects when it is needed.

The officer who presides over this group is always the vice-president of the Senior Friendship Club.

SENIOR FRIENDSHIP HOMEROOM CAPTAINS

Future Queens

Girls! girls! girls! Blondes, brunettes, redheads, tall girls, short girls, thin girls, plump girls, girls of all races and creeds! The only stipulation of the Sophomore Friendship Club is, of course, that the girls must be sophomores.

Such fun those sophomores had this year!

A splash party followed by refreshments, a style show with the girls themselves modelling, and numerous speakers—one of the most unusual being a refugee from a German concentration camp—were on the program for the two semesters.

In the line of service, the girls knitted wrist bands for British aviators and soldiers.

SOPHOMORE FRIENDSHIP CABINET
UNDER the guidance of their new adviser, Miss Anna Soutar, the Student Council completed another successful year. This year they purchased United States flags to put in the many classrooms and offices throughout the building. In December the Council played host to pupils from ten of the various schools throughout Greater Cleveland. These representatives were taken over the building and entertained at lunch after they had witnessed a Student Council meeting.

Second Semester

STUDENT GOVERNMENT—Continued

The various committees supervised the noon movies, point system, lost and found, finance, publicity, and monitor system. A new committee formed the second semester was the constitution committee. Its duty was to act as a "Supreme Court" on all questions concerning the constitution. The dance committee also sponsored several dances which were held after school and the Monitor Dances held at the end of each semester.

"There's more to it than meets the eye" is a maxim well applied to the publication of a yearbook. Infinite pains must be taken by both editor and staff to produce an accurate, pictorial record of the year's activities.

Even before school opens, the book is laid out and the theme chosen. During the fall, senior pictures are taken; and during the winter, club pictures; all this is managed by the editor and his assistant.

After Christmas vacation the whole staff swings into action. Pictures are identified, stories are written, and everything checked for spelling. In April, final proofs are checked, all copy sent to the printer, and the book is ready by May.

This year's book, edited by Charles Ault, contains more new changes than any book for many years past.

Names after the senior pictures and homeroom pictures were left out to have more elaborate pictures and a better book lay-out.

SHUTTLE EDITORIAL STAFF

Cal, Chuck, and Ed hard at it trying to make the book a success.

SHUTTLE BUSINESS
BUSINESS MANAGER
Ed Ackerman
ADVISER
Mr. N. F. Leist

One of the most essential groups connected with the yearbook is the Shuttle business staff. Their tedious work goes on all the time without any material reward. The only reward they look forward to is the satisfaction of doing their part efficiently so that the book can be a success.

From the moment school starts in September until the Shuttle is published in the spring the business staff is hard at work securing advertisements, conducting sales campaigns, collecting fees from the clubs that are having a picture in the book; and then the final step, taking care of the circulation. Posters and the public address system were used to good advantage during this year's advance sale campaign which was conducted from November 18th to December 20th.

SHUTTLE BUSINESS STAFF
Left to right: E. Fuller, R. Ross, E. Ackerman, R. Cisar.
WITH a full membership of 23 this year the Art Club accomplished many beneficial things. Its purpose is to concentrate the artistic ability of the school and take care of any art work which the numerous school organizations may require.

Under the guidance of Miss Marian Bright, the group took several trips to the art museum for study, heard various art speakers, and staged a series of contests for the members of the club. In these contests the students sketched from life, and small prizes were awarded for the most artistic drawings.

For their annual project the organization undertook a new mural, which is to adorn the art room.

Better organized this year than ever before, the Art Club undertook to charge various school organizations for the work, such as poster painting. In this way members hoped to pay for the materials involved and to raise a little extra money for their own projects. Besides making all the posters for the noon movie, this club did the art work for the mid-year "Pride and Prejudice."

SECRETARY
Bob Braund
ADVISER
Miss Lois Dean

On alternate Thursday afternoons, Shaw’s potential Helen Hayenses and Ronald Colmans assemble in the auditorium for the Dramatic Club meeting. After the business has been dispensed with, entertainment is provided by previously chosen members who give some sort of program. This year a number of one-act plays, monologues, and musical entertainments were given.

The most important work of the club this year, however, has been in the production of two three-act plays: “This Awful Age,” starring Peggy Reimholz, and “Pride and Prejudice,” with Janet Hahn and Harold Studer in the leading roles. The proceeds for the former play go to the British War Relief and from the latter to pay for new stage equipment, royalties, and to sponsor the Class Day play.

DRAMATIC CLUB

“\textit{This Awful Age}”

MERVYN (Charles Ault) returns from college to tell Mrs. Wood (Jeanne Scott) that he has brought a college friend home for the vacation... Penny (Peggy Reimholz) informs Chuck Harris (Hal Studer) of her intentions to resist Mervyn’s lady-killing roommate Roger Van Vleck... Dr. Wood (Fred Tyler) advises Chuck against trial flights with his homemade glider... while Penny succumbs to Roger’s (Hank Lang) charms... Chuck is awed by Penny’s assumed sophistication to impress Roger... Julie (Janet Hahn), Mervyn’s girl friend, receives a warm greeting upon her return from finishing school... Effie (Charlotte Monck) refuses to lend Penny money for a decollete formal... Julie maliciously sprains her ankle to ensnare Roger in a private tete-a-tete, ridding them of the neighborhood pest, Milly Lou (Shirley Patton)... Penny resorts to tears to induce Chuck to lend her the money for her dress... Dr. Wood, returning from a shopping tour, greets Penny, elated over her financial success... Shirley (Jewette Johnson) and Ralph Wentworth (Dick Erdley) arrive at the welcoming party with orchids ordered by Roger... Roger then overwhelms Julie with the expensive corsage... Julie attempts to comfort Penny, when she discovers Julie and Roger making fun of the poetry she has written because of her ardent love for Roger... Elmer (Glen Cameron) tells Mr. Harris (Sol Gordon) and the startled family of Chuck’s disappearance in his self-constructed glider... After four anxious hours, Chuck is found, slightly injured but overjoyed by his success... Penny and Chuck realize (as you can see) that they are much more than mere neighbors.
Scene Shifters

ONE of the least appreciated but most essential positions in the school is that of the stage crew. The group is under the direction of Miss Lois Dean, who also conducts the stage crew class to instruct these boys in their duties.

It is the crew’s job, whenever there is a dramatic production or any type of assembly, to take care of back stage work that may be required. The crew also manages the prop room and designs and sets up all stage scenery. If the stage productions are to be presented successfully, it is easily observed that the crew must have an extensive technical knowledge.

STAGE CREW
Left to right: Standing—F. Musto, Sitting—B. Campbell, J. Haas, A. Pavlica, E. Surak.

They Show the Flickers

INAUGURATING a new system, the noon movie group, under the direction of Miss Anna Soutar, attempted this year to train new operators thoroughly and acquaint them with the intricate projectors.

Under the former set-up no qualifications were necessary to become an operator; however, according to the new method, prospective crew members had to pass tests before they could be qualified.

In this way the movie operators will have a complete knowledge of the complicated machinery, and more efficient projection of films may be rendered the student body.

MOVIE CREW

Philatelists

NEARLY everyone at some time in his life, has had a hobby. Nine times out of ten, people specialize in collecting various articles. The type of collecting that is most common is philately, better known as stamp collecting.

The Shaw Stamp Club is a harbor for all students interested in this fascinating activity. In meetings, the members have an opportunity to discuss stamps, old and new, and compare personal collections.

This semester a special study was made of terms used in connection with stamp collecting, to give these young philatelists a better understanding of their subject.

STAMP CLUB

January class play in rehearsal on Kid-Day—Tch, Tch. . . . Clarence suddenly takes an interest in his studies; Mary Ellen is no hindrance.

Orator, Debater, Student: Pauleen Wikle . . . Freed gives B. Goodman the scroll as “King of Swing”.

Clean Speech, Sports, and Scholarship

As in past years, the Senior Hi-Y maintained its position this season as one of the top-ranking activities for boys. This is easily understood when one examines the club’s calendar, overloaded with interesting sports events, programs, suppers, and talks. The theme of the programs, in accordance with world events, was titled “America and Defense.”

Intra-club competition, always full of spirit, yielded these results: Krypton won the football trophy; Tala triumphed in the bowling tournament; and Ecaowasin captured the Merriam trophy for attendance.

During the second semester the office of chaplain was originated; and Jim Reid was elected as the first person to direct the religious functions and group singing of the clubs. The two annual highlights, the Hi-Y Dance, and the Hi-Y Show were staged with a good measure of success.

Entering the fourth decade of its existence, the Debate Club continued to promote the age-old, yet all-important art of rhetoric. Meetings, held every other Monday after school in room 203, were devoted to debates, extemporaneous speeches, discussions, quiz-bees, and occasional plays.

As is the annual custom, the intramural debates were held in November under the auspices of the Debate Club and its adviser, Miss Lois Crank. Of the 16 two-man teams participating, only two affirmative teams survived with no defeats. The subject for debate was "Resolved: That the Powers of the Federal Government Should Be Increased." During the course of the year the Debate Club held an after school dance and also a taffy sale.

DEBATE CLUB

In an organization as vast as Red Cross, it was necessary to divide it into two groups, the senior group and junior group, recently formed. A branch of the latter was organized at Shaw by Mr. Dietrich.

Two representatives from each homeroom, one boy and one girl, are chosen to carry on the work of the Red Cross. However, each student that contributes money to the Red Cross drives, automatically becomes a member of Junior Red Cross. The main project of the club this year was to aid in the work of Bundles to Britain.

In November, a Junior Red Cross Banquet was held at the Higbee Company, where members from all over the city convened. Bob Lowry, president of Shaw's chapter, presided over the meeting that followed.

JUNIOR RED CROSS
Left to right: J. Goodman, F. Foster, B. Lowry, B. Reynolds.

IGNORANCE is bliss," but not when it comes to matters of health. That is why the Health Club was founded four years ago by Miss Nina McWebb, the school nurse. She arranges for speakers from various hospitals and the American Red Cross to come to the meetings and talk to the members about matters concerning public and personal health.

Many charitable enterprises were engaged in during the past year. This year's most outstanding undertaking was a contribution of eighteen dollars and fifty-cents to the Mile-of-Dimes. Representatives from each homeroom were appointed to collect dues and get new members. The Health Club, one of Shaw's largest organizations for girls, is presided over by an executive committee consisting of the president, vice-president, secretary, and treasurer.

HEALTH CLUB
SHAW’S library society, the Philomathean Club, meets every other Friday to give reports and hold discussions on books. The club held a tea for new members at the beginning of each semester and climaxed its social events with a party at the end of the year. The Philomatheans are divided into six groups: biography, drama, fiction, poetry, science, and travel. Each group is responsible for several programs during the year. Among the important books discussed during the year were *Rebecca* by Du Maurier, *Wuthering Heights* by Bronte, *Gone with the Wind* by Mitchell, and *The Yearling* by Rawlings.

**ROLLER SKATERS**
Promotion of friendship is the basis upon which the Whirlo Club has been organized. Many roller skating parties are held which tend to amplify the friendship.

Before official membership may be obtained, one must undergo the rigors of initiation, which is held semi-annually. All regular members eagerly look forward to this event, for it contains a great deal of fun for everyone. Awards are granted each semester for perfect attendance at meetings and for points that have been earned. The annual banquet of National Whirlo Club members of Cleveland was held at John Hay High School in April.

They Strive for Better Conditions
Did you ever wonder how the other half lives? If you have, you should join the Sociology Club, for its purpose is to study the problems of poor people and how the mentally or physically deficient people are cared for.

While it was not the largest organization in the school, this past year it was one of the most active. Every other week the members took trips to various places throughout the city. Some of the places they visited were the Warrensville Center Poor Farm, Prospect Sanitarium, the Mayfair class for hard of hearing children, and the Prospect class for children with poor eyesight.

SOCIOLOGY CLUB
AN important innovation in the Camera Club this year was the elimination of the business part of the meeting. Under the new system the whole time is devoted to informal discussions in round-table manner. Through these discussions, constructive criticisms, and examples of their work, members endeavor to improve their individual photographic ability.

In the latter part of the year the group planned to conduct several field trips to the “Flats” to photograph characteristic scenery. Members also visited various professional studios, where they made use of the studios' equipment and models.

COACH
Mr. Roy Wisecup

In a season highlighted by a victory over University School the Cardinal nine compiled a record of 10 wins and four defeats, a marked improvement over the previous year's achievements. Played at League Park and receiving city-wide acclamation, the U. S.-Shaw struggle ended with a 9-1 victory for Shaw's top hurler, Jack Reynolds, over Jack Elde, University moundsmen, who had his 22-game winning streak snapped.

East High was the only team to register two victories over the East Clevelanders, winning 2-0 and 5-4. Shaw's other two losses came at the hands of Euclid Shore and Columbus North.

Topping the batters was Third Baseman Len Visci with a .442 percentage.

Highest honors in fielding were garnered by Chuck Sua, first-sacker, who ended the season with a percentage of 1.000.

Columbus North stopped the Black and Red hopes for a state baseball championship as they handed the Cardinals a 3-2 defeat in the tournament last spring.

BASEBALL SQUAD

Cinder Burners

LOSING their last year's twin track stars, Ray and Ralph Fox, did not stop the track team from compiling a more impressive record. The squad captured first place in their four dual meets, placed fourth in the Lake Erie meet, and fifth in the Northeastern Ohio meet.

Outstanding among the team's achievements was the victory over the strong Western Reserve Academy team, which brought to a close the Academy's five year winning streak.

Winning most consistently among the Black and Red Cindermen were Jim Reid, Jerry Ernst, Frank Dowdell, and Harold Frischkorn, who composed the half-mile relay team, and Fred Jones, an excellent miler. The honor of being one of the city's best quarter-milers went to Bob Sisson.

Movie Fans

NEW, and one of the most unique groups in Shaw, is the Cinema Club. The members consider the movies an essential art of America and therefore strive to learn the best cinematic productions. The club conducted many interesting programs among which were reviews of movies, movie quizzes, discussions on various movies, informal arguments over favorite actors and actresses, and pantomimes from well-known shows.

After the club studied the different productions, it presented its recommendations to the show committee of the Student Council, concerning the outstanding shows. In this manner the whole student body benefited by the organization's study and research.

F ROM the time that the wisemen of ancient Egypt tried to foretell the future by means of the stars until recent times, the solar system has been a mystery to all who have made a study of it. What lies on those planets thousands of miles away from us? Will it ever be possible to reach those far distant places?

These questions and many more were discussed in the Shaw Astronomy Club. As a further extension of their study, Mr. R. A. Brown, club advisor, took members to the Case Observatory, where a meeting and detailed discussion were held. As club projects, George Fisher made a map of the solar system on a wall in Room 30, and Bill Wallace constructed a telescope.

ASTRONOMY CLUB

Fisher paints the heavens (in room 30) . . . Astronomical observations for astute minds only.

Hail the sons of old Shaw High School
Who will dare to play the game.
Hail to all the valiant heroes
Who have helped to win her fame.
Black and red they proudly carry
In the thickest of the fray
While the sons of Shaw are marching
Marching on to victory.
SHUTTLE AD STAFF
Left to right: Standing—C. Knudsen, M. Nuckels, Sitting—L. Rigel, J. Johnson, L. Kellogg.

Your yearbook is a store of treasured memories. The oft repeated thrill of recollection which accompanies each new search through its pages will many times repay you for the care and consideration which has gone into its creation.

We are proud to have had some part in the production of this book. It indicates the wealth of ideas and ability which have made possible the Northern’s long record of school annual achievement.
