SPRING PLAY

Bye Bye Birdie came back for a repeat performance with a new and different flair. This is the story of a popular rock and roll singer, Conrad Birdie, who is drafted into the Army. Conrad, portrayed by Dean Hill, is to give a farewell kiss to lucky Kim MacAfee, Linda Scharschmidt. This is to take place in the small town of Sweet Apple, Ohio.

Conrad's manager, Albert Peterson, played by Robert Davies, has many troubles with Conrad and his somewhat faithful secretary Rosie, played by Elaine Psihountas. The story finishes with the typical happy ending. A great deal of work and fun was put into this fantastic show.

Hello, this is Harvey Johnson.

What can I say?!

Touch me if you dare!
I've got a few things to say to you too!

Don't touch me.

Sing it again, just one more time.

Stranger in town.
This year’s Prom theme was “It’s a Small World”. The Boy’s Gym and the Lounge were turned into a fantasyland of fun. Various landmarks that represented different countries were reconstructed such as Big Ben of England, The Eiffel Tower from Paris, a windmill from Holland, a bull from Mexico, and many more. Different foods and delicacies were served in a small French cafe. The young women were all bedecked in long, flowing gowns, while the gentlemen all wore their newly rented tuxedoes. The ebb and flow of conversation reflected the underlying melancholy of this group who were bidding good-bye to life as the Class of 1969. The gaiety was restored as most of the group retired to after-prom parties and other festivities.

GRADUATION

The senior year is one of great anxiety and anticipation for most high school students. The members of any senior class have a great variety of futures to look forward to. Many will undoubtedly go to college, while others step directly into the vocation of their choice. Either route will lead to a multitude of challenging new experiences. For this reason, graduation from high school is an important milestone in the life of every young person today. Therefore, the ceremony itself should be one that they will remember from the date of its occurrence. Shaw's graduation ceremony is, like many of the other policies, based on tradition. The dignified atmosphere of the ceremony, which takes place in Severance Hall, is one which the students will remember in years to come. It signifies their entrance into the exciting world of adult activities.
Although Heights crushed Shaw to a 16–6 defeat, nothing could dampen the spirits of the Shaw High students at the 1969 Homecoming game.

The 1969 Homecoming Queen, Debby Vogt, was crowned by Student Council President Jeff Wells, during the half time show. Debby and her court, Valerie Smith, Karen Marshall, Deborah Furman, Gail Lucas, and Nadine Whitehead reigned at the dance the following night.

At the dance, Debby was recrowned by Debbie Price, the 1968 Homecoming Queen of Shaw High School.

COLLEGE CLUB

The 1969-70 Hi-Liters line brought to its fans new pep and vigor with a variety of dances. The line, consisting of twelve hard-working girls, did an outstanding job of entertaining audiences during half time at football and basketball games and brought enthusiasm to Shaw's Cardinals at rallies. The girls learned these modern dances such as “Hair” during long hours of practice involving much effort and concentration. These talented girls would make any choreographer feel very proud!
Again this year, Catalina Club has proven itself worthy of both the praise and admiration of the Shaw student body. These girls, under the direction of Mrs. Stadler, work diligently and produce an outstanding water show each spring. During this show, each member has the chance to demonstrate both their ability and skill. Together with their coordinated swimming, the special music, lighting and scenery make each year's show an enjoyable and most memorable occasion.

This club not only demonstrates their swimming ability, however, they show their domestic ability as well by baking for bake sales and sponsoring a dance in the spring.

We wholeheartedly congratulate this group of dedicated girls for their fine performances—a job well done!

CONCESSION

Le Masque is a club which solicits the attention of all students at Shaw who are interested in acting. Their year long activities include the fall play, skits, and assisting in putting together the spring musical.

What A Life! Le Masque’s winter play, introduced the character of Henry Aldrich, as portrayed by Ken Kelleher, to the Shaw faculty and student body. Henry and his girl, played by Cindy Barstow, amused the audience by their reactions of a variety of challenging situations.

This delightful play, directed by Mr. Martin, introduced a “first” into drama at Shaw—faculty participation in a student production. Many faculty members had roles of varying size, ranging from Mr. Lawson’s cameo role to Mr. Martin’s humorous characterization of Henry’s school principal.

Among these activities are the popular after-game dances which are held following football and basketball games. The Council has many other functions, such as decorating Korb lounge for Christmas and serving refreshments for the annual Open House. Many of these activities serve to provide funds for the Council's scholarship fund.

CONCERT CHOIR AND MIXED CHORUS

The vocal talents of the Concert Choir and Mixed Chorus were displayed this year at the annual Christmas and Spring concerts. The Concert Choir has many performances during the year which includes Veteran’s Day Program, the LEL Music Festival, and Commencement exercises.

The Concert Choir, the more select group, is seated in octets to give each singer more responsibility in his own small group. This seating arrangement also provides a fuller and richer tone.

Both groups are directed by Mrs. Ruth Richey, her directing abilities and music talent helped the Choir and Chorus perform to the best of their abilities.

This year's Shaw High Marching Band under Mr. Alvin Fulton's direction, was small but mighty. The band members supplied excellent music for the high stepping Hi-Liters during half-time at the football games. In their colorful red and white uniforms the band made a pleasant picture while drilling in formations.

At the conclusion of the football season the marching band changed to the Shaw High Concert Band. Late in January the band entertained all at the mid-winter concert. These members deserve recognition and respect for their determination in producing one of the finest bands in the LEL.

This organization contributes much to the enthusiasm, zeal, spirit, enjoyment, and fun to all those interested in Shaw High School. The efforts of the Marching Band are much appreciated by all.

Shaw's new musical director, Mr. Alvin Fulton, ably faced the challenge of molding the orchestra into an effective musical entity.

Mr. Fulton increased student interest and participation by stimulating the young musicians to unprecedented heights of musical artistry.

The orchestra worked hard to prefect a Christmas Concert and a Spring Concert. They also worked for a long time on the hard music of "West Side Story" for the Spring Musical. Anyone listening to the small orchestra would be surprised by their loud, mighty, sound.

STUDENT COUNCIL

Student Council's weekly meetings serve as a sounding board for the comments (often complaints) of Shaw students. The Council, composed of one representative from each homeroom, discusses topics ranging from the need for a new pencil sharpener in a given room to whether or not the dress code should be changed.

This year, for the first time, Student Council produced a Talent Show made up of a variety of acts performed by members of the faculty and student body. The show was well received and, hopefully, will become an annual addition to the Shaw calendar.

The All School Party, a Shaw tradition is another popular activity of the Council.

Shaw’s Varsity Baseball team did not have a season composed entirely of wins, but their determination and spirit can be admired. The enthusiastic and hard-working players displayed all their talents both individually and as a team. Mike Yesiolowski’s good pitching struck out many sad players. He and the catcher, Dan Trombley, were quite a pair to be put up against. Coach Ciszak and Coach Sterba worked hard with the players to make a winning team which worked together well. All of Shaw High can be proud of the fighting Cardinal Baseball team of 1969.

FRESHMAN TRACK
This year's swim team was one of the better teams throughout the years. Their record was not admirable, but their spirit was undefeatable. They never lost sight of the shining reward there is in winning a meet. Though their goal always seemed unattainable, they kept on trying week after week.

The swim team was coached by Mr. Hutchinson, who has been coach for two years. He helped the boys get in shape, both mentally and physically for every meet. The workouts every night after school were the major factor in keeping the boys fit.

The diving team was coached by Mr. David Downs, a former diver at Shaw who is now a teacher at Kirk. All the divers worked hard for perfection and excellence. They displayed their skills at half-time in the swim meets.
The Shaw High School Timers Club composed entirely of girls brighten the swim meets. Although they are required to show impartiality, it is rather hard to suppress their overabundant exuberance while watching the swim team in action. The girls, although they usually are drenched by the end of a meet, enjoy taking part in the occasion. The timers are the cheerleaders for the swim team. Their determination to keep the spirit and hopes of the swim team alive is inspiring. The boys give a great deal of credit to these girls.
The 1969 Shaw Cardinals, coached by P. Burton, had a 7–3 record this season. It was a hard fought season which saw the Cardinals take 4th place in the L.E.L.

This season was truly a team effort, and its success should be credited to all the players, coaches, and managers.

Again this year, our Wrestling Team had a powerful leader—Coach Nash Tillman. Along with our team’s diligent efforts, they learned what true sportsmanship really meant. They made gallant attempts to upset their opposing grapplers and won much admiration and loyalty from their devoted fans.

Mr. Tillman’s great determination brought new interests from the student body by presenting his grapplers in a match during a rally.

The team had an unusually large audience partially due to the curiosity aroused by the fans, from the demonstration. The other part of the audience was made up of interested parents and friends who knew what a fine, hard working Wrestling Team Shaw had during the 1969-70 season.

We take our hats off to the senior members of the team as this phase of their wrestling days are over. We, as a student body, are proud of our representation in this group.

SULLIVAN, ROBERT Sull 13408 Franklin 851-2908
As I sit here exhausted from writer’s cramp, I have decided to write my letter to you, the student body.

In this letter, I am required, by unwritten law, to thank my entire Shuttle staff. At the same time, however, I can’t help but recall the many late work nights when the wheat was separated from the chaff. Therefore, I cannot, in true honesty, thank the “fair weather friends” of Shuttle. My deepest gratitude and appreciation does go out to those members of the staff who suffered through missed deadlines, lost copy, and bitter disappointments with me. As Dickens said these were the best of times, yet they were the worst of times.

Many people have helped the Shuttle staff get this book to you. Mr. George Stewart, of the S.K. Smith Company, was a great help to us in choosing our cover. Mr. James Parkinson and Mr. Michael McKelley from Consolidated Graphic Arts Corporation lent their technical knowledge to the creation of the 1970 Shuttle.

A special pat on the back is given to David Dussing, our student photographer. Without his diligence and ever ready camera (which wasn’t always so ready) this book would never have become a reality. His lightening fast trigger finger gave the Shuttle its candids, team pictures, and dividers.

Now I would like to thank our advisor, Mrs. Elmore. Her humor and patience have shown the staff the brighter side of difficult problems innumerable times. I know all our thanks could not come close to expressing our appreciation to her for all her help.

Here it is, students of Shaw, or those few of you who bought this book. Here it is, the 1970 Shuttle. I hope you enjoy it now and forever more.

Sincerely,
Dan Engel, 1970 Editor-in-Chief
