Taking it to the Top
Is the only way to go
Striving and succeeding
Helps the Cardinal Spirit
Show
Being the best
And doing your best
Helps make the task
complete
'Cause being a mighty
Cardinal
Is a natural upsweep!
To take it to the top
You must have determination
You must use your mind and
talents
Without any hesitation
So as We’re taking it to the
top
Don’t miss your chance to
show
That taking it to the top as
a Cardinal
Is the only way to go!

Eritha Mims
TO THE TOP!

The graduating class of 1982 and the student body are dedicated to a high standard of living and achievement as they:

TAKE IT TO THE TOP!
THE CARDINAL OBSERVES . . .
... AS WE TAKE IT TO THE
FOOTBALL HEROES AND . . .
SMILING FACES . . .

HELP US TAKE IT TO THE TOP
HOMECOMING KING

JEFFREY WILSON
AND QUEEN

DENISE CUNNINGHAM
PEP RALLY

During the fall Homecoming is one of the most exciting events at Shaw. This Year eleven young ladies and three young men competed against each other for the 1981-1982 Homecoming King and Queen Crowns. The competition was highlighted by a pep rally during which the contestants were presented to the student body.
Homecoming Weekend featured many exciting activities: pep rallies, the parade, and the football game. Many students and faculty members participated in helping to make Homecoming the focal point of Fall activities.
RUNNERS

First Runners Up: Christopher Hall and LaFaria Wilson

Second Runners Up: Roy Scott and Janet Gibson
Canteen King and Queen: Vincent Harris and Gwen Blackwell

Third Runners Up: Jerome Barnes and Phyllis Patton
The Annual College Fair was held in the gym on Oct. 20. Over 50 representatives from colleges and trade schools throughout the U.S. were present. Students, parents and faculty were invited to meet with the school of their choice to receive information about the college programs and expenses and Financial Assistance available to the students.
TAKING IT TO THE TOP!

The time has come for all facets of Shaw High School's community to stand up and be counted. We have renovated facilities, restructured the curriculum and revitalized programs in order to meet the needs of more students. We have progressed to the point of being recognized as a good school on both the local and national level.

Yes, we are good, but we cannot be satisfied. We must persist in our efforts "to take Shaw High School to the top". We must continue to strive for the attainment of our ultimate goal, to make Shaw High School an effective school for all students. At Left: Selma Gamble, Principal
IN MEMORIAM

It is with sadness in our hearts and the knowledge that death is an inevitability which affects our young lives that we again dedicate our Yearbook to the memory of two of our classmates: Robin Renee Tyler (1982) and Tamico Smith (1984). We salute you.

Life's many precious wonders
Seldom last forever
Life's memories of yesterday . . .
Linger on
Life's mysteries of tomorrow
Hidden away in shadows
Life's passionate beauty
Complete in every fashion
You've filled your life
With only half of the
Precious Wonders.
The memory of you will
Linger on
And your mysterious tomorrows
Will remain hidden
Away in Shadows
Your passionate beauty
Incomplete in every fashion
Life is void without you.

SENIORS: CLASS OFFICERS AND CLUB

Senior Club (Pictured Below) consists of interested seniors who meet every Monday with Ms. R. Bailey to discuss and arrange senior activities such as commencement and prom.

The Senior Class filled its last year of school with activities and fund raising events. Planning for the prom and commencement was the highlight of the year. The Senior Class worked hand-in-hand with the senior club to keep the class of '82 on the TOP!

SHUTTLE STAFF

As the Year began the Shuttle Staff went to work with fresh ideas, some winning school teams, and a dedication to produce a yearbook which exemplified our theme. We found a winning spirit and excitement within the student body proving that we were really on our way to the TOP!

The drama club has become affiliated with the Thespians, national organization of drama students. With this professional commitment in mind, they set to task in presenting three school plays: BLACK GIRL (Fall '81), OUR TOWN (Winter '82), and SOUTH PACIFIC (Spring Musical '82). At right is a candid shot of the fall production of BLACK GIRL.
The Cardinal Approach is the "new" name given to our school newspaper which also took on a totally new appearance to match the new name. The paper, which is edited by senior Kevin Grays, consists of eight pages of a higher grade of paper, and is filled with club news, entertainment features, sports, career information, and news stories. There is room for creative writing and poetry in this exciting publication which is sponsored by Mr. Ulsenheimer.
The National Honor Society consists of juniors and seniors who have maintained a grade point average above 3.3. This year there was only one induction ceremony. The membership requirements are based on scholarship, service, leadership, and character. The major objective of the honor society is to inspire the student body to high levels of education.

STUDENT GRIEVANCE COMMITTEE

Canteen Council is an organization headed by Mrs. G. Pannell. She is responsible for the activities during lunch periods and weekends. Canteen Council members work hard to get the student body interested in school activities such as dances and the talent shows. The money that is made on the fund raisers enables the members to take a trip at the end of the school year. There is a great deal of hard work put into this organization.
